Sir:

Submitted herewith is a copy of the Filing Receipt for the above-referenced application. While the application number of the grand parent application was correctly typed in the Utility Patent Application Transmittal, the applicant mistyped the application number of the grand parent application in the preliminary amendment. The correct domestic priority data as claimed by applicant is "This application is a DIV of 10/300,782 11/21/2002 PAT 6,682,952, which is a DIV of 09/782,163 02/14/2001". The mistyped number is corrected by the preliminary amendment filed together with this Request. A red-marked copy of the Filing Receipt is attached. Should any fee be needed, please charge it to our Account No. 50-0945 and notify us accordingly.

Respectfully submitted,
